To all our esteemed viewers,

Welcome to NSA website. We are grateful to God that we can now use the modern technology to reach out to many as a way of Evangelization.

"Trust in the Lord with all your heart and lean not on your own understanding; in all your ways submit to him and he will make your paths straight." Proverbs 3:5-6.

For sixty-six years now, the Nazareth Sisters of the Annunciation Congregation continues to exist after being founded by the late Rt. Rev. Lawrence Victor Bessone, IMC, as stated in our history and humble beginnings. I take this opportunity to thank our Almighty God, for it is through his guidance that we have reached this far. In a gradual way, at a slow pace, our Congregation has continued to grow under the guidance of the Holy Spirit. We are still on course in fulfilling our Mission as portrayed in our Charism which calls us every day to *proclaim and witness God's Love in the Spirit of the Nazareth Family.*

Our Congregation is a Missionary Congregation, although still of the Diocesan Right, hence we are responding to invitations to extend our presence both locally and abroad as the Spirit leads. We are driven by the words of our Founder as he said to the first Sisters in the *Congregation "Seek out the needs of the time and serve where you are needed". We are currently in Kenya, Tanzania, Uganda and Des Moines in USA.*

We continue to invite many young women to join us so that we may extend our Mission to many who seek our presence. We are still mindful that we are to seek quality and not quantity as our Founder Bishop Bessone always insisted.

I thank the Nazareth Sisters in your various communities as we all strive to fulfill the Mission entrusted to each one of us. Like our Blessed Mother Mary, *let us be the "Handmaids of the Lord; let it be done to me according to your word" Lk 1.38.*

May our Lord Jesus Christ continue to show us what needs to be done and may He continue to sustain our mission by granting us both spiritual, human and financial resources. May God bless you all and all those we minister to.

Our Lady Queen of Nazareth and St. Joseph Pray for us.
